## Sonora 1200

### Style, performance and mobility

The Sonora 1200 is an elegant 12" Tablet PC with a modern look. Its eye catching ultra-thin design with a sharp and bright QHD-resolution display provides a responsive, precise touch and with the Active Digitizer the user can achieve further accuracy with that of a pen.

The unit has an extremely slim and robust design, with a weight as low as 800 grams (3,3 pounds). WiFi and Bluetooth provide fast and reliable connectivity.

With a fully adjustable kickstand the Tablet PC is easily placed at the desired angle to optimize viewability and comfortable operation. An optional snap-on companion keyboard is available to enable the device to be used as a 2-in-1 or laptop PC.
