## Keyboard for FIDS Zelo Tablet PC

### Use FIDS Zelo as a rugged Laptop

A versatile rugged QWERTY keyboard with integrated touchpad keypad. IP54 rated for protection against dirt, dust, spills, splashes and sprays of water or other liquids.

Featuring a reliable easy to connect / disconnect connector, backlit / illuminated keys are easy to read for typing in low light working environments and 2 external USB 2.0 ports to allow additional USB devices to connect through to the tablet.

The Companion Keyboard extends the functionality of the FIDS Zelo by offering a 2-in-1 laptop / tablet experience, providing both the mobility of a tablet with laptop style function for more data-intensive and keyboard centric applications. The keyboard can also be closed like a laptop, covering the display for additional protection and convenience.
